Satsop Phase II - Public Comment Meetings

September 4, 2002, 6:30 PM - Montesano, WA

September 6, 2002, 9:00 AM - Lacey, WA

You are invited to attend a public hearing and a public meeting sponsored by the Energy Facility Site Evaluation Council (EFSEC or Council) to provide comment on the Duke Energy Grays Harbor/Energy Northwest application to amend the Satsop Combustion Turbine (CT) Site Certification Agreement (SCA) to construct and operate a second (Phase II) project at the already permitted (Phase I) site.

On Wednesday, September 4, 2002 from 6:30 to 8:30 pm at, Montesano City Hall, 112 North Main St., Montesano, Washington, the Council will conduct a hearing to accept comment on:

- The Draft National Pollutant Discharge Elimination System (NPDES) waste water permit;
- The Draft Notice of Construction (NOC) and Prevention of Significant Deterioration (PSD) air permit; and
- All aspects of the Satsop CT Phase II project.

On Friday, September 6, 2002 starting at 9:00 am at the Rowe Six Conference Center, Building 1, 4224 6th Avenue SE, Lacey, the Council will conduct a meeting concerning the Satsop CT Phase II project that will include panel discussions regarding specific issues identified by the Council. Experts selected by Duke Energy/Energy Northwest and the Counsel for the Environment will participate on panels and respond to questions from Council members. This meeting will be open to the public.

Please find attached to this e-mail Adobe Acrobat Reader PDF versions of the full notice of these meetings, the notice of issuance of the draft NOC/PSD and NPDES permits for public comment, and a fact sheet about the Phase II proposal prepared by Duke Energy/Energy Northwest.

Complete copies of the NOC/PSD and NPDES permits and associated fact sheets are available on the EFSEC web site at:
